This is in response to the petition to revive under 37 CFR 1.137(b) filed on 15 July 2008.  
The petition is hereby **GRANTED** as follows:

Petitioner has stated that "the entire delay in filing the required reply, from the due date for the reply until the filing of this petition, was unintentional." This is being construed as a statement that "the entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional." Applicants are required to promptly inform this Office if said interpretation is not correct. Said statement is being accepted in satisfaction of 37 CFR 1.137(b)(3).
